

Join the Lancaster County Clean Water Initiative for its *Water Quality Series*.

Co-Sponsored by the Building Industry Association of Lancaster County, Associated Builders and Contractors, Pennsylvania Landscape and Nursery Association, the Pennsylvania Department of Conservation and Natural Resources, the Chesapeake Bay Foundation, the Lancaster County Clean Water Consortium, LIVE Green, the County of Lancaster, StormwaterPA, and the Centers of Excellence in Renewable Energy and Production Agriculture

Thursday May 12, 2011
8:00am – 11:00am
Farm and Home Center
1383 Arcadia Road, Lancaster, PA

Join building owners and local contractors from the building design and landscape industries for a comprehensive workshop providing information on green roof technologies currently on the market and how your business can participate in this emerging field.

Topics to be covered include:

- Background, benefits, and history of green roofs
- Green roof installation components – types of systems, mediums, drainage & vegetation
- Step by step process of installation
- Maintenance of green roofs

Learn about the technical aspects about drainage and irrigation.

See examples of installation components including vegetation mats, plugs, sprigs and trays.

Hear from national and regional experts including:

- **Jorg Breuning** of Green Roof Service LLC, has more than a quarter century of experience as a leader in the green roof industry in Germany and the U.S. Jorg has actively designed, installed, maintained, and monitored millions of square feet of green roof projects.
- **Sheldon Wenger** of Franklin and Marshall College, who is overseeing the Colleges 4 green roofs with plans for several more in the coming years.
- **Paul Cook** from Creek Hill Nurseries, who distribute the 'Live Roof' tray system. From growing to installing learn about this innovative system that provides instant greening.

Green Roof Technologies

Fee of \$50 includes the cost of breakfast, breaks, and all materials. A subsidy of \$25 is available from the Lancaster County Workforce Investment Board for participants that are willing to provide their social security number upon registration...for a total cost after the subsidy of \$25. Make checks to "Lancaster County Center of Excellence in Renewable Energy" and send to Joyce Lenox, Lancaster County Workforce Investment Board, 313 W. Liberty St. Suite 114, Lancaster, PA 17603. Call 717-735-0333 for questions.
