

**Tuesday, February 1, 2011**  
**7:30-11:30 am**  
**Farm and Home Center**  
**1383 Arcadia Road, Lancaster, PA**

For landscape architects, landscape designers, engineers, planners and code officials; site contractors; developers; builders; and real estate professionals.

Topics revolve around new "best practice" ideas in support of the County watershed plans oriented to green infrastructure and include...

- Stormwater design in the context of Act 167
- The importance of site analysis
- Identifying retrofit opportunities
- Making the case for decentralized stormwater management
- The Karst Factor
- Gaining greater pollutant reductions
- Soil specifications for rain gardens, bioswales and other infiltration systems
- Subsurface stormwater retention and infiltration systems

**Instructors**

- Mary Gattis-Schell, Lancaster County Planning Commission (moderator)
- Scott Hain, David Miller/Associates, Inc.; Cory Rathman, Becker Engineering; and Andy Weaver, Lancaster County Planning Commission
- Harry Campbell, Chesapeake Bay Foundation
- Susan McDaniels, Meloria Environmental Design
- Steve Fulton, ARM Group Inc.
- Mark Hackenburg, RGS
- Dave Charles, Dave Charles Developers

Join the Lancaster County Clean Water Initiative for its new *Water Quality Series*.

Co-Sponsored by the County of Lancaster, the City of Lancaster, the Pennsylvania Department of Conservation and Natural Resources, Building Industry Association of Lancaster County, Associated Builders and Contractors, Pennsylvania Landscape and Nursery Association, LIVE Green, the Chesapeake Bay Foundation, the Lancaster County Clean Water Consortium, StormwaterPA, and the Centers of Excellence in Renewable Energy and Production Agriculture

# Sustainable Approaches to Storm Water Management: Design

Fee of \$50 includes the cost of breakfast, breaks, and all materials. A subsidy of \$25 is available from the Lancaster County Workforce Investment Board for participants that are willing to provide their social security number upon registration... for a total cost after the subsidy of \$25. A Snow Day of March 15 is planned for this training in the event of inclement weather. Listen to WGAL-TV if weather causes a question about this event being canceled. Make checks to "Lancaster County Center of Excellence in Renewable Energy" and send to Joyce Lenox, Lancaster County Workforce Investment Board, 313 W. Liberty St. Suite 114, Lancaster, PA 17603. Call 717-735-0333 for questions.
