

Row Home Retrofitters Workshop: *How to Do It Right the First Time*

If you work on row homes, this workshop is for you! Row homes are charming, but they also have particular structural details that can make performing quality improvements to comfort and energy efficiency challenging.

Learn how to stop drafts, increase comfort, reduce energy use and improve indoor air quality using proven techniques. You'll get both classroom theory and hands-on experience to help you understand how row homes work – and how you can make them work better.

The workshops will be conducted by A.Tamasin Sterner, a BPI Certified trainer and President and Head Coach of Pure Energy Coach, LLC, who has overseen over 40,000 home audits and Michel Musser, a BPI Building Analyst and principle of The Village Green with over 14 years of residential contracting experience.

Location: Liberty Place - 313 W. Liberty Street, Lancaster PA 17603

Workshops:

Friday February 25th

8 am to 10 am: Learn about row home energy use patterns, health and safety issues, structure durability, cost effective energy saving measures and more.

10:20 am to 12:00 pm: Discover Building Performance Institute (BPI) Professional Certifications and decide if BPI certification training is right for you. Visit www.bpi.org.

Saturday February 26th

Special offer for Attendees!

Please contact LIVE Green for more information as space is limited.

12 pm-2 pm: Get hands on experience using many of the tools and techniques found in the field of weatherization and energy efficient home performance upgrades including air sealing, insulation and radiant barrier installation.

Register Now!

Simply fill in the form below and mail with a check payable to 'LIVE Green' to Fritz Schroeder, LIVE Green, PO Box 509, Lancaster, PA 17608. Your registration fee of \$50 includes light refreshments, breaks, and all materials. A subsidy of \$25 is available from the Lancaster County Workforce Investment Board for participants that are willing to provide their social security number upon registration, for a total cost after the subsidy of \$25. If you have questions, please call 717-669-5990 or send an email to fritz@livelancaster.org.

A snow day of Friday March 4th is planned for this training in the event of inclement weather. Watch WGAL-TV for weather-related cancellations.
